ESTATE

Have a go clay shooting for groups

When is it available?

Monday to Friday and subject to availability between 12noon and 3pm

What size of groups can clay shoot?

We can offer clay shooting experience to groups with a minimum of 10 guests

How long does each session take?

Typically around 2 hours but it may be slightly longer for larger groups

What does the clay shooting experience include?

Guests will be welcomed by the instructors and join a safety briefing, following that the group will shoot at a range of clay targets under professional tuition. Also included is the use of guns, clays, cartridges, safety equipment, refreshments and public liability insurance

What's the cost?

£65 per person to include 25 cartridges each

What is the minimum age for shooting?

15 years old

I have my own shotgun license and gun, can I use that?

Unfortunately not, we don't have the facility to store the gun overnight

What should be worn?

Comfortable footwear such as boots or wellies, a top that provides a bit of padding, including gilet, fleece or jumper is fine
